ALL FUEL CARDS: Do you plan to charge-back some drivers and take the amount out of their check? Yes No

If Yes, please indicate which fleet account number / customer ID will be charged back \_\_\_\_\_

IDLEAIR PRE-AUTHORIZATION PROCESS:

- Please setup the pre-authorization amount as listed below for IdleAir service (actual cost will be IdleAir's fleet rate billed to the tenth of an hour after the first hour plus any applicable sales tax):

Pre-authorization amount -> \$75 (this is a service pre-authorization amount ONLY)

AUTHORIZATION:

- This authorization establishes fuel card billing for IdleAir service within IdleAir.
For account security purposes, fleets will also need to communicate this authorization directly to their fuel card issuer.
